Saanjo: First-ever Script of Language of Masses- Punjabi and Allied/ Rivers Along and Around.

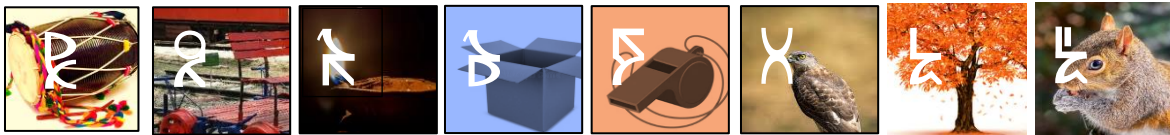

Beeb: There are 35 consonants , one silent character, 10 vowels, and 5 diacritics relevant to Punjabi Language, plus 3 consonants and 1 vowel- to complete all phonetic variations all along all around our rivers. Name of Script: Saanjo is meant to induce love and fraternity- derived from the word "Saanj". A letter has been given name "Beeba" which means a loveable lad. "Beeba" Good , derived "Beeb" and is meant "Goodness"- Name given for a book. Referring first letter, first set is called Abeebea/consonants and all alphabet "Beebay". Configured three sounds of vowel letters, one each from 3 sets to give name "aa ee oa " for Vowels ". Silent character "Joetoo" and Dicritics are called "P_iary". Combinations are Joetay and Tikkay. Consonats have inherent vowel like a/u.

Our Own Land of Waters / Paania; Our Own Language, Our Own Script "Saanjo".

Saanjo: First ever script of Language of Masses - Punjabi and Allied.

Saanjo is Precise for all dialect and all languages from high mountains in the North down to sea in the South / All Along All Around the Rivers " Paania Land "

☆ 1- Saanjo is a script which is precisely phonetic.

☆ 2- It runs in all computer applications.

☆ 3- Science, math and computer technology compatible.

☆ 3- It is not a worked out from script of non-our-language scripts. It is our all-out creation from our own for our own language. So, it is our emblematic script.

☆ 4- People specific not religion specific.

☆ 5- It is an all-out creation, a mother creation to begin creativity trends in our people.

☆ 6- Saanjo is precise for all dialects and languages in the land of rivers.

☆ 7- Being precisely phonetics, it is easy to learn.

☆ 8- There is one to one phonics- glyph relationship.

☆ 9- Being our own from our own land makes our people feel pride and happy. All its terminology in our own language and therefore it strengthens our identity.

☆ 10 - Its application to give basis of unison among people of land of rivers.

Thanks,

Ejaz Mahmood,

Founder of Saanjo Script.
